Topic:

2018/19 Highlights/Challenges

- Reviewed Membership Committee Report
- Some big decisions moving forward depend on agreement with US Ski and Snowboard
 - Potentially need to change name and types could change
 - Potentially a joint membership where US Ski and Snowboard handles registration and we handle fulfillment
 - Revenue would be passed through
 - Much of decision revolves around SafeSport and the need for certification and background checks
 - Need to define who falls into the category of needing SafeSport

Committee Makeup

- Current Committee Makeup
 - Would be good to get one person from each club to be on the committee or at least be a point of contact at the club for membership
- Board member involvement
 - Need a job description for board member chair
 - Work distribution will depend on how the committee is structured and what the committee looks like depending on the agreement with US Ski and Snowboard

Membership Requirements for Next Year

- Have guidelines for how clubs implement membership with their club registration
- Membership with USA Nordic/USSA is required for next year
- Implement a USA Nordic Club membership that is free and require this for all clubs

Membership Requirements for Next Year

- Just need to finalize agreement with US Ski and Snowboard to know how to move forward

Action Items

- **TBD depending on US Ski and Snowboard Agreement**
