III. Junior National Team Selection Criteria

Ski Jumping Team Selection Criteria in order of priority to reach a maximum team size of 8 athletes

1. Athletes named to the Junior World Championship team *(if not named to National Team)*
2. Top 3 athletes from overall US Cup standings
(must meet minimum standards below and meet US Cup Ranking requirements)
3. Top athlete from U16 class in Junior Championships
(must meet percentage back below)

*Criteria list is prioritized. In the event that inclusion of criteria 3 results in more than 8 athletes, higher ranking in US Cup will determine inclusion and Criteria 4 will not be used.

Team status will be determined by the following criteria:

1. An athlete can be born as early as January 1st, 2001 and as late as December 31st, 2006
 - No older or younger athletes will be named to the team
 - 2006 is the FIS minimum for Junior World Championships
2. Athletes must meet the following criteria for US Cup
 - Athletes must participate in three divisions
 - Total jumping score in each of the five best results must meet the following point minimums:
 - U16 Women: 110 points
 - U18 Women: 120 points
 - U20 Women: 140 points
 - U16 Men: 140 points
 - U18 Men: 160 points
 - U20 Men: 180 points
 - *If a result does not meet the point minimum, athletes are permitted to use a lower placed result that does meet minimums*

No minimum team size will be established

If the above criterion does not establish a team of eight, discretionary selections, if any, may be based on a variety of factors, including competitions conducted outside of the selection criteria.

Discretionary selection

Determined by the Junior National Team Selection Committee, and the following criteria will be taken into consideration.

- Outstanding competition results from the 2018-2019 or 2019-2020 seasons
- Recent positive direction or trend of competition results
- Outstanding domestic results
